International Pre-School Claymore Campus

SCHOOL FEES 2021-22

EtonHouse International Pre-School Claymore prides itself on being a family-oriented school with a multicultural and diversified community. Situated in the heart of Orchard amidst lush surroundings, Claymore offers classes from Playgroup to Kindergarten for children aged 12 months to 6 years. Our Pre-School programme offers the EtonHouse Inquire-Think-Learn philosophy which focuses on inquiry-based learning where children's ideas, interests and theories inform the design of our curriculum experiences.

What our parents say...

We are constantly amazed by how independent and confident Victoria has become since joining EtonHouse Claymore. We love the way we are able to follow her progress in school through weekly and regular updates from her teachers. The team at Claymore has been quick to respond to any concerns or questions we have had and we look forward to starting the Nursery year in August!

Mr Mark & Tiara Shaw, Parents of Victoria in Pre-Nursery

My son, Ryusei, started his learning journey at EtonHouse Claymore when he was 20 months old. As a member of the Claymore community for nearly two and half years, teachers and staff at the school gate never fail to greet Ryusei by name every morning – we feel that Claymore is the best school for my son to begin his learning journey. Young children definitely have a right to start a day in a warm and welcoming atmosphere!

Ms Kyoko, Parent of Ryusei in Nursery 2

Ariyana started her pre-school journey when she was 3.4 years old in Nursery 2. After 2 years, we have seen Ariyana blossom at Claymore. She is developing into a confident child because of the positive environment in school and exceptional teachers. She is always eager to go to school and comes back home with a smile and many exciting stories to share!
