**EtonHouse International Education Group Celebrates 30 Years of Excellence and
Global Footprint across 9 countries**

SINGAPORE, July 2025 – EtonHouse International Education Group proudly marks three decades of transformative education, growing from a single campus on Broadrick Road to a global network of over 100 schools across 9 countries. This milestone reflects a continuous journey of innovation, purpose, and positive impact on children’s lives around the world.

A Visionary Journey

The EtonHouse story began in 1995, when founder Dr. Ng Gim Choo, inspired by her daughter’s learning experience in the UK, established the first EtonHouse school in Singapore. Her vision was to create a joyful, nurturing environment that would foster a love for learning.

“What brings me the greatest joy is not the number of schools we’ve opened, but the heartfelt stories from parents, about children who wake up excited for school, who love learning, and who thrive in life,” reflected Dr. Ng. “It’s the success we see in each child that makes this journey meaningful.”

Global Growth with Local Impact

Today, the Group operates more than 100 schools across 9 countries, including over 40 campuses in Singapore. Its portfolio ranges from premium schools to affordable options, ensuring more families can access quality education. As an Anchor Operator, EtonHouse operates high-quality quality affordable pre-schools through **E-Bridge Pre-Schools**. Expansion continues with new campuses planned in Saudi Arabia and Bangkok.

Since taking the helm in 2020, Group CEO Mr. Ng Yi-Xian has broadened the Group’s offerings to include **Middleton International School**, delivering affordable international education, and **The Eton Academy**, a transformative tuition centre, which expanded in 2025 with **Elevate After School Care**, offering holistic support for primary school children.

“As we celebrate 30 years of educational innovation, our mission remains unchanged, to prepare children not just for today’s world, but for the future they will help shape,” said Mr. Ng Yi-Xian. “We will continue to blend proven educational philosophies with cutting-edge technologies to nurture confident, curious, and compassionate global citizens.”

A Night to Remember: Celebrating with 800+ Staff

A highlight of the anniversary celebrations will be the **EtonHouse Staff Dinner & Dance** held at **Shangri-La Hotel on 23rd August 2025**, where over **800 guests**, including colleagues from overseas campuses, will gather to commemorate the Group's journey. The event will be graced by **Mr. Goh Pei Ming, Minister of State in the Ministry of Home Affairs and the Ministry of Social and Family Development**, as **Guest of Honour**.

With over **4,000 staff globally**, this celebration honours the people at the heart of the organisation, its passionate educators and dedicated team members, whose efforts have shaped the lives of thousands of children over the years.

A Commitment to Community

EtonHouse continues to champion social responsibility through the **EtonHouse Community Fund**, an IPC charity supporting vulnerable children and youth in Singapore. Guided by Dr. Ng's belief in the power of education to uplift lives, the Fund extends the Group's mission beyond classrooms and campuses.

30 Years in Motion: Celebrating with Purpose

In tandem with its anniversary, EtonHouse has launched a community-wide challenge, **"30 Years in Motion"**, encouraging students, staff, and families to collectively walk or run **30,000 kilometres** by December 2025. This symbolic journey of movement and giving aligns with the Healthier SG initiative and aims to raise funds for children in need. Every kilometre is matched by a minimum donation and supported by Tote Board's matching grant.

"Education and charity go hand in hand," said Dr. Ng. "If I can inspire more people to give back through our shared passion, I will continue to do so wholeheartedly."

Looking Ahead

As EtonHouse celebrates its 30th anniversary, it remains focused on shaping the future of education. The Group continues to evolve, driven by a deep commitment to innovation, equity, and excellence in learning.

"We look forward to many more decades of inspiring and shaping future generations," said Mr. Ng. "The journey continues, and we're just getting started."
